

Join the Manning Hausbarn Heritage Park in our **Lighting Up History Campaign**

The Manning Hausbarn Heritage Park family recently lost a dear friend, leader, and founding visionary, Freda Dammann. From the earliest dreams of preserving our local heritage to the joyous celebrations that brought it to life, Freda was there — planning, organizing, and inspiring. Her favorite holiday was Christmas, she cherished this time of year as it exemplified family, joy, and community. Our wish is to start a new tradition of lighting up the Hausbarn Heritage Park in memory of Freda and invite you to join us in celebrating and lighting up history.

In Freda's Spirit join us lighting up the park for a new tradition!
